WINE GLASSES

Lolita glasses combine hand-painted accents with sassy messages that help you celebrate any occasion in style. Each glass arrives in a beautiful gift box with a unique cocktail recipe painted under the base of the glass. Made from artisan blown glass. All Lolita glasses are hand painted. Hand painting equates to hand washing, per the sticker on the base of each item. It is NEVER to be placed in a dishwasher or soaked in extremely hot water. Simply hand wash for 20 or 30 seconds and quickly dry it with a soft towel.

SUPERBLING

As the name suggests, Superbling wine glasses are just that extra bit special. They hold a volume of 651ml which is a third larger than our standard glasses and are covered in hundreds of hand applied crystals for that extra wow factor – between one hundred and four hundred per glass. Each glass is packaged in a coffret gift box which is uniquely designed around its theme, and includes a personal message from Lolita and a cocktail recipe on the bottom of the glass and packaging.
