ENESCO FRANCE

NECA est l'un des principaux créateurs, spécialistes du marketing et distributeurs mondiaux de produits de consommation sous licence basés sur certains des films, jeux vidéo, bandes dessinées et produits de la culture pop les plus connus au monde.

Fondée en 1996, avec la création de la division jouets en 2002, NECA est connue pour ses action figure détaillées. Nous avons commencé par nous concentrer sur certaines des icônes les plus recherchées du slasher comme Michael Myers, Jason Voorhees et Freddy Krueger, puis nous avons mis l'accent sur des personnages de niche comme Sam de Trick r Treat, et nous avons commencé ce qui allait devenir les plus grandes lignes de figurines d'Alien et de Predator au monde.

Au cours des années qui ont suivi, NECA s'est considérablement développé, dominant la catégorie des films d'horreur tout en devenant une source incontournable de jouets issus de classiques de la culture populaire tels que les Tortues Ninja, les Gargouilles, Chucky et les Monstres Universels.
